Summer

Get ahead at UC

Te Whare Wānanga o Waitaha | University of Canterbury (UC) offers courses in a range of subjects over summer (November–February).

Why study over summer?

Summer study gives you an opportunity to get ahead by:

- earning your degree faster
- catching up after taking introductory courses during the year
- retaking courses
- spreading your workload
- improving your academic skills
- picking up prerequisite courses.

If eligible, you can receive Hoto Akoranga StudyLink assistance over summer.

Due to their intensive nature, summer courses are not recommended if you are new to university. The transition courses discussed on the next page are designed for new UC students.

Application dates & other important dates

For Summer School courses starting in November 2023 (with the occurrence code **23-SU2**) you can apply to enrol **now**. For Summer School courses starting in January 2024 (with the occurrence code **24-SU1**), applications open on **1 October 2023**.

Applications close on the Official Course Start Date, unless otherwise stated.

The start date, end date, and withdrawal dates for every course are listed on the Course Information page. Put the course code in the search box and select the Summer School occurrence at www.canterbury.ac.nz/study/qualifications-and-courses/ to find the relevant Course Information page.

Detailed Enrolment and Course Dates are listed at www.canterbury.ac.nz/study/.

UC is closed for Christmas on **22 December 2023** and re-opens on **3 January 2024**. Other key university dates are listed at www.canterbury.ac.nz/study/keydates/.

How to apply

If you are enrolled at UC in 2023, submit a Change of Enrolment in myUC to add SU1 and/or SU2 Summer School course(s). Information on how to submit a Change of Enrolment is available at www.canterbury.ac.nz/enrol/change/.

If you are not enrolled at UC in 2023, submit an Application to Enrol in myUC (myuc.canterbury.ac.nz/). If you have not studied at UC before you will need to create a myUC account first.

Fees

Tuition Fees for each Summer School course are listed on the Course Information page. Put the course code in the search box and select the Summer School occurrence at www.canterbury.ac.nz/study/qualifications-and-courses/ to find the relevant Course Information page.

In addition to the course fee, a compulsory Student Services Levy (SSL) is also charged – see www.canterbury.ac.nz/get-started/fees/.

Information on student loans and allowances, Fees Free study and scholarships is available at www.canterbury.ac.nz/get-started/fees/fund/. If you plan to use a student loan to pay for a Summer School course, **make sure you apply early** for your student loan.

Details on how to pay your fees are available at www.canterbury.ac.nz/get-started/fees/pay-your-fees/.

More information/Queries?

For any questions about admission and enrolment, course changes, and fees, please email info@canterbury.ac.nz or call +64 3 369 3999 (Christchurch area/overseas) or freephone in New Zealand 0800 VARSITY (827 748).

Please visit Te Pātaka, Level 3 Puaka-James Hight Library to see one of the Admissions or Enrolments team if you are on campus.

www.canterbury.ac.nz/get-started/summer-school

Workload and expectations

Most summer courses have an intensive teaching format, completing a summer course successfully requires your full commitment. For this reason, we recommend that you take no more than two courses during the summer.

For a manageable workload, we recommend that you spread your courses across the November and January sessions rather than enrolling in two courses in one session.

Due to the timeframes for summer courses, it is often not possible to be as generous with assignment extensions as it is for semester courses.

Transition courses

The Certificate in University Preparation (CUP) is offered over summer to meet University Entrance; commencing 6 November and finishing in time to start your degree in February 2024.

Further information can be found at www.canterbury.ac.nz/get-started/.

Alternatively, our Headstart programme is suitable for students who have University Entrance and would like to prepare for a subject. You can pick up a prerequisite course, or refresh knowledge, skills, and confidence if you have been away from study for a while.

Further information, including a full list of Headstart courses, can be found at www.canterbury.ac.nz/get-started/transition/.

Accommodation

Staying on campus is a great way to support your summer studies. The summer contract period runs from November-February.

Accommodation is offered at Ilam Student Accommodation, Sonoda Christchurch Campus or Tupuānuku.

- Certificate in University Preparation (CUP) (November) – located at Sonoda Christchurch Campus.
- Headstart (January-February) – located at Tupuānuku (meals provided).

Accommodation is self-catered, fully-furnished and includes power. Cutlery/crockery packs and linen packs are available to purchase online, if required.

To book, please email:

Ilam – Ilam@unilodge.co.nz

Sonoda – Sonoda@unilodge.co.nz

Tupuānuku – Tupuanuku@unilodge.co.nz
